| CLEANING                 |      |

Colour shades may slightly vary from dye-lot to dye-lot.

MAGIC HOME technologies improves fabrics with advanced properties: **easy cleaning with water, limited absorption of fluids, high resistance to mechanical damage, such as snags**. Thanks to Magic Home Technologies, fabrics are able to overcome the challenges of everyday life, giving users maximum comfort and safety on a daily basis.

**WATER REPELLENT**  
A technology of covering the fabric with a special hydrophobic coating that effectively hinders the absorption of spilled liquids, leaving drops on the surface of the material.

**EASY WATER CLEANING**  
At the production stage, fibres are coated with special molecules that protect the fabric from dirt. Thanks to this, all stains are quickly and efficiently cleaned.
